Dear [Redacted]

Enclosed is the outline of our plans for the Korean conference next September.

I am looking forward to the opportunity to discuss some of these issues with my colleague Gareth Porter and your staff in the near future.

Cordially,

Jeffrey Stein

Mr. Stein contacted me by phone on 12 June to request a background briefing to prepare himself for the conference (see attached). The briefing topic would be strategic security issues, nuclear arms and their control, DPRK strength and capability. Subsequently he mailed me the attached program.

Please give me your views as to whether it would be appropriate to brief him. [Redacted] shares my view that the subject matter of the conference is too policy-oriented for our taste.
